

D. A. V. Degree College, Lucknow

(Associated College of Lucknow University)

Lecture Series By Department of Physics

Richard Feynman
Nobel Laureate

Lecture No. -5

About the speaker

Eminent Speaker

Dr. Alka Misra
Assistant Professor
Department of Mathematics & Astronomy
University of Lucknow

Dr. Alka Misra is working as Assistant Professor in the "Department of Mathematics & Astronomy" at the University of Lucknow, Lucknow. She did her Masters in Physics and Doctorate from the University of Lucknow. After completing her Doctorates, she went to Brazil under the prestigious fellowship of the South America "FAPESP" and worked as a postdoc fellow at the Department of Astronomy & Geophysics, University of São Paulo, Sao Paulo, Brazil. She has worked as an "Affiliate" under Federal Scheme at "The Abdus Salam International Centre for Theoretical Physics", Trieste, Italy in the year 2007 and again in 2009. In the year 2009, she has worked at Heinrich-Heine-University, Dusseldorf, Germany as a Visiting Scientist. Her area of research is Astrophysics/Astrochemistry/Astrobiology (Quantum chemical analysis of the reaction Mechanisms for the formation of Interstellar molecules). She has published a number of research papers with high Impact National/International Research Journals

Patron
Dr. Anjani Kumar Mishra
Principal

Chief Patron
Shri Manmohan Tiwari
Manager

Dr. Rajeev Kumar Tripathi
Head , Physics Department

Topic:-
Cosmic Threats for The Earth

Date : 28-02-2021
(Sunday)
Time : 4:00 pm

Co-ordinator
Dr. Sudhir Kumar Shukla
Associate Professor
Physics Department

Convenor
Neeraj Sharma,
Assistant Professor
Physics Department

About the Lecture Series

The Department of Physics, D.A.V Degree College, Lucknow is starting a series of Enriching and Educating Lectures on Topics that are beyond the Curriculum, on Sundays and holidays, by esteemed members of the Physics community including but not limited to research scholars and professors of various educational institutions as well as scientists and professionals.

The focus of these lecture series is to motivate students for Higher Studies and create interest in the subject. The speakers are so chosen that students will be oriented towards research also.
